

The Gwalia Singers (Swansea)

**Keith Davies, Patrons Secretary,

The Gwalia Singers are one of the most entertaining choirs in Wales today. If you enjoy the Gwalia style of singing, why not become a patron? Showing your support in this way is a valuable source of revenue for the choir and helps ensure it continues to meet its running costs incurred for music, uniforms, transport and many other costs involved in meeting its performance commitments. We hope as a patron that you would also encourage friends and family to support our concerts.

The cost of being a patron is £10 annually for a single individual or couple. In return the choir will keep you informed of choir events and give priority for concerts, particularly the Annual Concert. All patrons will be named in the Annual Concert programme and, on application for tickets, receive priority seating at the concert.

An application form to become a patron can be downloaded from the choir website: www.gwalia-swansea.co.uk or alternatively you can complete the attached form:
