

The Gwalia Singers (Swansea)

Patrons Association - March 2023 to March 2024

We would like to thank our existing patrons for their continuing support and would also like to welcome new patrons. Showing your support by becoming patrons is a great help to the choir and helps towards the costs involved in meeting its performance commitments. We hope that as a patron you would also encourage friends and family to support our concerts.

The annual cost of being a patron is £10 for an individual and £15 for a couple. All patrons will be named in the Annual Concert programme and on application for tickets will be given priority seating at the concert.

To become a patron you can either complete the form below or download an application form from our website www.gwalia-swansea.co.uk.

APPLICATION TO BECOME A PATRON

I/We wish to become a patron of The Gwalia Singers (Swansea).
